

Custom Plastic POP Top Pre-Roll Tubes - Direct Print

CPN-565067621

Custom Pre-Roll Tubes deliver a polished, professional packaging solution designed to protect pre-rolled cannabis products while reinforcing brand identity. These durable, odor-resistant tubes are well suited for dispensary shelves, promotional campaigns, trade giveaways, and special product releases. 4.5" (116 mm) Plastic POP top tube. Full Color, 1 location Included. BPA free. Full-color custom branding printed directly on each tube. Fast production and reliable shipping timelines. Certified ASTM D3475 child-resistant pop-top closure. Prominently display your brand with high-quality, full-color printing on these plastic pre-roll tubes. Designed for versatility, they securely store pre-rolls, vape cartridges, batteries, & other small items that require compliant, child-resistant package.
